

Great River Regional Library (GRRL) welcomes your child to the library!

Your child recently applied for a GRRL library card. This card entitles your child to enjoy the many free resources and services GRRL has to offer.

Each borrower is responsible for returning library materials on time and in good condition for the next borrower. Please help your child to return materials on or before the due date and to bring his/her library card when visiting the library. To explain our policies, your child has received a GRRL policy brochure; please review this brochure with your child. Please report a lost or stolen card immediately. Call or stop by any GRRL library with any questions.

We look forward to your child's next visit!
